Compliance with the notice, procedures, and effective date provisions of section 4 of the Administrative Procedure Act would be impracticable and contrary to the public interest, and therefore is not required.

CALIFORNIA

CLASSIFICATION ORDER

DECEMBER 1, 1950.

1. Pursuant to the authority delegated to me by the Director, Bureau of Land

Management, by Order No. 427 dated August 16, 1950, I hereby classify under the Small Tract Act of June 1, 1938 (52 Stat. 609), as amended July 14, 1945 (59 Stat. 487, 43 U. S. C. section 682a), as hereinafter indicated the following described land in the Sacramento, California, land district, embracing approximately 20 acres,

CALIFORNIA SMALL TRACT CLASSIFICATION
No. 247

For lease and sale for homesites only:

T. 25 S., R. 33 E., M. D. M.,
Sec. 16, NE $\frac{1}{4}$ NE $\frac{1}{4}$ SE $\frac{1}{4}$, E $\frac{1}{2}$ NW $\frac{1}{4}$ NE $\frac{1}{4}$ SE $\frac{1}{4}$,
N $\frac{1}{2}$ SE $\frac{1}{4}$ NE $\frac{1}{4}$ SE $\frac{1}{4}$.

The land is situated in Kern County, California, and in close proximity to the new location of the Town of Kernville, California. The lands are rough but have been subdivided in a way that will give each lessee suitable space for the construction of buildings. The tracts overlook the valley and also afford an excellent view of the adjacent mountains. Their nearness to the newly situated Town of Kernville and to the construction activities at the Isabella

Dam Project makes the tract unusually desirable for residential purposes.

2. As to applications regularly filed prior to 9:00 a. m., November 10, 1950, and are for the type of site for which the land is classified, this order shall become effective upon the date it is signed.

3. As to the land not covered by applications referred to in paragraph 2, this order shall not become effective to permit leasing under the Small Tract Act until 10:00 a. m., February 2, 1951. At that time such land shall, subject to valid existing rights, become subject to application as follows:

(a) Ninety-day preference period for qualified veterans of World War II from 10:00 a. m., February 2, 1951, to close of business on May 3, 1951.

(b) Advance period for veterans' simultaneous filings from 9:00 a. m., November 10, 1950, to 10:00 a. m., February 2, 1951.

4. Any of the land remaining unappropriated shall become subject to application under the Small Tract Act by the public generally commencing at 10:00 a. m., May 4, 1951.

(a) Advance period for simultaneous nonpreference filings from 9:00 a. m., November 10, 1950, to 10:00 a. m., May 4, 1951.

5. Applications filed within the periods mentioned in paragraphs 3 (b) and 4 (a) will be treated as simultaneously filed.

A veteran shall accompany his application with a complete photostatic, or other copy (both sides) of his certificate of honorable discharge, or of an official document of his branch of the service which shows clearly his honorable discharge as defined in § 181.36 of Title 43 of the Code of Federal Regulations, or constitutes evidence of other facts upon which the claim for preference is based and which shows clearly the period of service. Other persons claiming credit for service of veterans must furnish like proof in support of their claims. Persons asserting preference rights, through settlement or otherwise, and those having equitable claims, shall accompany their application by duly corroborated statements in support thereof, setting forth in detail all facts relevant to their claims.

6. All of the land will be leased in tracts of approximately 2½ acres, each being approximately 330 by 330 feet.

7. Preference right leases referred to in paragraph 2 will be issued for the land described in the application, provided the tract conforms to or is made to conform to the area and the dimension specified in paragraph 6.

8. Leases will be for a period of five years at an annual rental of \$5.00 payable for the entire lease period in advance of the issuance of the lease. Leases will contain an option to purchase clause at the appraised value of \$50.00 per acre, application for which may be filed at or after the expiration of one year from date the lease is issued.

9. Tracts will be subject to all existing rights-of-way and to rights-of-way not exceeding 33 feet in width along or near the edges thereof for road purposes and

public utilities. Such rights-of-way may be utilized by the Federal Government, or the State, county or municipality in which the tract is situated, or by any agency thereof. The rights-of-way may, in the discretion of the authorized officer of the Bureau of Land Management, be definitely located prior to the issuance of the patent. If not so located, they may be subject to location after patent is issued.

10. All inquiries relating to these lands should be addressed to the Manager, Land Office, Sacramento, California.

J. H. FAVORITE,

Acting Regional Administrator.

This survey will provide the only continuing source of important information on the inventories of retailers in the various kinds of retail businesses and, on the basis of information and recommendations received by the Bureau of the Census, the data have significant application to the needs of the public and the distributive trades and are not publicly available from non-governmental or other governmental sources.

Such survey, if conducted, shall begin not earlier than 30 days after publication of this notice in the FEDERAL REGISTER.

Information will be collected from a group of firms selected according to the number of retail units operated, sales size, and location of the store. Single and small multiunit firms operating establishments located within 68 Census sampling areas will be required to sub-

mit reports for individual establishments. Large multiunit firms will be required to submit reports covering all retail stores operated by each firm.

Report forms furnishing information on year-end inventory of merchandise at cost value and on total annual sales will be required from all retail firms selected for the survey. Copies of the proposed form and a description of the collection methods are available on request to the Director, Bureau of the Census, Washington 25, D. C.

Any suggestions or recommendations concerning the subject matter of this proposed survey should be submitted in writing to the Director of the Census and will receive consideration.

TING WITHDRAWAL FROM REGISTRATION

At a regular session of the Securities and Exchange Commission, held at its office in the city of Washington, D. C., on the 5th day of December A. D. 1950.

In the matter of Helmuth W. Strunk d/b/a Paterson Express Exchange, 102 West Broadway, Paterson, New Jersey.

This proceeding was instituted pursuant to section 15 (b) of the Securities Exchange Act of 1934 ("the act") to determine whether it is in the public interest to revoke the registration as a dealer of Helmuth W. Strunk, doing business as Paterson Express Exchange, for alleged willful violation of section 17 (a) of the act and Rule X-17A-5 thereunder.

Appropriate notice of hearing was given registrant, but he did not appear either in person or through a representative on the date set for hearing. However, prior to the date for hearing registrant addressed a letter to this Commission requesting withdrawal of his registration.

Rule X-17A-5, promulgated on November 28, 1942, under section 17 (a) of the act, provides, among other things, that every registered broker or dealer must file with this Commission a report of his financial condition during each year commencing with the year 1943. Promulgation of the rule was announced by publication in the FEDERAL REGISTER, by release to the press, and by distribution to persons on our mailing list.

The registration of the registrant became effective on May 29, 1937, and has not been withdrawn, canceled, suspended or revoked. Our records show that registrant failed to file the required reports during any year from 1943 through 1949. We conclude, as a result, that registrant violated section 17 (a) of the act and Rule X-17A-5 thereunder.

It appears that prior to the promulgation of Rule X-17A-5, registrant moved from the business and residence addresses furnished to us in his application for registration and left no forwarding address. The record does not disclose whether registrant had actual notice of the adoption of the rule, but assuming that he did not have actual notice his ignorance of the rule would appear to be the result of his own con-

duct in placing himself out of reach of our communications. Under these circumstances his violation of section 17 (a) of the act and Rule X-17A-5 was willful within the meaning of section 15 (b) of said act.¹

As we have noted, prior to the date of hearing registrant wrote to this Commission requesting withdrawal of his registration. In his letter he stated also that he had sold the business of the Paterson Express Exchange late in 1937 and asserted that he had so advised us at that time. In addition he represented that he has never engaged in any securities transactions.

Although withdrawal of registration after the institution of revocation proceedings is not a matter of right,² it may be permitted in our discretion if it appears that withdrawal would be consistent with the public interest and the protection of investors.³ While we have no record that registrant advised us of the sale of Paterson Express Exchange our investigation indicates that Strunk did sell the business at the time stated, and that it functioned as a travel bureau while he owned the business and after his sale thereof.⁴ This appears to substantiate registrant's statement that although registered, he never engaged in the securities business. Under the circumstances and in view of the nature of the violations, we believe that the public interest will be adequately served by permitting him to withdraw from registration.⁵

Accordingly, it is ordered, Pursuant to section 15 (b) of the act, that withdrawal of the registration of Helmuth W. Strunk, doing business as Paterson Express Exchange, be and it hereby is permitted to become effective forthwith, and that the proceeding to revoke said registration be, and it hereby is, dismissed.

By the Commission (Chairman McDonald and Commissioners McEntire, Rowen, and McCormick), Vice Chairman Cook being absent and not participating.

⁵ Cf. Julius Gutttag, — S. E. C. — (1946), Securities Exchange Act Release No. 3393.

The New York Stock Exchange, pursuant to section 12 (d) of the Securities Exchange Act of 1934 and Rule X-12D2-1 (b) promulgated thereunder, has made application to strike from registration and listing the First Mortgage 7 percent Sinking Fund Bonds due February 1, 1954, of Ernesto Breda Company.

The application alleges that: (1) The Italian Public Utility Credit Institute by prospectus dated December 23, 1947 extended to holders of the above security an offer to issue, in exchange for each \$1,000 bond, \$1,484.20 principal amount of Thirty-Year Guaranteed External Sinking Fund Bonds of 1947 due January 1, 1977 of the Italian Public Utility Credit Institute.

(2) The above prospectus indicated that as of the date of the prospectus \$1,029,000 of the First Mortgage 7 percent Sinking Fund Bonds, due February 1, 1954, of Ernesto Breda Company were outstanding, of which \$45,000 had been acquired by the Treasury of the Republic, leaving \$984,000 outstanding in the hands of the public.

(3) Reports of the exchange agent received from time to time by the applicant Exchange indicate that, since the date of the offer, \$789,000 of the said bonds have been surrendered in exchange for the new security of the Italian Public Utility Credit Institute, leaving outstanding in the hands of the public only \$195,000 of the previously outstanding bond issue of Ernesto Breda Company.

(4) The amount of this security now outstanding in the hands of the public has been so reduced as to make the distribution of the issue inadequate for continued deadline on the applicant Exchange.

(5) Transactions in this security on the applicant Exchange were suspended on November 10, 1950.

(6) The rules of the applicant Exchange with respect to striking a security from registration and listing have been complied with.

Upon receipt of a request, prior to January 2, 1951, from any interested person for a hearing in regard to terms to be imposed upon the delisting of this security, the Commission will determine whether to set the matter down for hearing. Such request should state briefly the nature of the interest of the person requesting the hearing and the position he proposes to take at the hearing with respect to imposition of terms or conditions. In addition any interested person may submit his views or any additional facts bearing on this application by means of a letter addressed to the Secretary of the Securities and Exchange Commission, Washington, D. C. If no one requests a hearing on this matter, this application will be determined by order of the Commission on the basis of the facts stated in the application, and other information contained in the official file of the Commission pertaining to this matter.

REPUBLIC SERVICE CORP.

NOTICE OF FILING

At a regular session of the Securities and Exchange Commission, held at its office in the city of Washington, D. C., on the 6th day of December A. D. 1950.

Notice is hereby given that Republic Service Corporation ("Republic"), a registered holding company, has filed a declaration (File No. 70-2529) with this Commission pursuant to the Public Utility Holding Company Act of 1935. Declarant has designated sections 6, 7, and 12 as being applicable to the proposed transactions.

Notice is further given that any interested person may, not later than December 13, 1950 request the Commission in writing that a hearing be held on this matter stating the nature of his interest, the reason for such request and the issues, if any, of fact or law, raised by said declaration which he proposes to controvert or may request that he be notified if the Commission should order a hearing thereon. Any such request should be addressed: Secretary, Securities and Exchange Commission, 425 Second Street NW., Washington 25, D. C. At any time after December 13, 1950, said declaration as filed or as amended may be permitted to become effective as provided in Rule U-23 of the rules and regulations promulgated under the act, or the Commission may exempt such transactions as provided in Rules U-20 (a) and U-100 thereof.

All interested persons are referred to said declaration which is on file in the offices of this Commission for a statement of the transactions therein proposed which are summarized as follows:

Republic has heretofore filed with the Commission, and there is presently pending, an application-declaration pursuant to sections 9 and 12 (d) of the act, proposing the sale by Republic of all the outstanding common stock of its subsidiary, Abington Electric Company ("Abington"), to Scranton Electric Company ("Scranton"), the consideration to be 60,000 shares of the \$5 par value common stock of Scranton plus \$32,000 cash (Holding Company Act Release No. 10147, File No. 70-2488).

Subject to the Commission's approval of the sale of Abington and the acquisition of Scranton's stock, described above, Republic, in its instant declaration, proposes to distribute among its stockholders 0.8 of a share of said common stock of Scranton for each share of Republic common stock held, or an aggregate distribution of 56,259 shares of Scranton's common stock. The remaining 3,741 shares of Scranton's common stock will be sold by Republic, and the cash proceeds will be available for the corporate needs of its subsidiaries. The proposed distribution is described by Republic as a partial liquidating dividend. No fractional shares of Scranton's stock will be issued in connection with the distribution but, in lieu thereof, Republic will pay cash on the basis of the closing market price of Scranton's common stock on the New York Stock Exchange on the date of distribution; in

the event that no sales occurred on said date, said cash payment will be based upon the last closing market price prior to said date.

Republic states that if it receives before the end of 1950 the necessary authorizations from this Commission, and a ruling from the Commissioner of Internal Revenue that the proposed distribution is a partial liquidating dividend within the meaning of section 115 (c) of the Internal Revenue Code, it will effectuate said distribution during 1950; and in the event the required authorizations and ruling are not obtained prior to the close of 1950, Republic will act upon the proposed distribution in 1951.

In connection with the proposed distribution, Republic proposes to reduce the par value of its outstanding 70,324 shares of common stock from \$10 par value to \$4 par value per share, to credit the difference to capital surplus, and to charge a portion of the distribution to earned surplus and the balance to capital surplus. Republic will call a meeting of its stockholders to authorize the proposed reduction in the par value of Republic's common stock. Stockholders of Republic, in order to receive the shares of Scranton in this distribution, will be required to present their certificates of shares of Republic's common stock to Provident Trust Company of Philadelphia, Pennsylvania, Transfer Agent, so that an appropriate legend to indicate the reduction of par value may be affixed to said certificates.

Republic estimates its expenses in connection with the proposed distribution will be \$500, representing fees of its counsel.

The Commission being of the opinion that the instant declaration of Republic and Republic's pending application-declaration regarding its proposed sale of Abington and acquisition of Scranton's common stock (File No. 70-2488) present common questions of law and fact, and that in the interest of expeditious and orderly disposition of these matters it is desirable and appropriate that both filings be considered together.

It is ordered, That Republic's instant declaration (File No. 70-2529) and its pending application-declaration (File No. 70-2488) be, and the same hereby are, consolidated for purposes of the disposition thereof.

By the Commission.

UNITED GAS CORP.

ORDER GRANTING APPLICATION

At a regular session of the Securities and Exchange Commission, held at its office in the city of Washington, D. C., on the 5th day of December A. D. 1950.

United Gas Corporation ("United"), a gas utility subsidiary of Electric Bond and Share Company, a registered holding company, having filed an application and an amendment thereto with this Commission pursuant to sections 9 (a) (1), 10 (a) (1), 10 (b) and 10 (c) of the Public Utility Holding Company Act of 1935 with respect to the following transactions:

United proposes to purchase 41.2 units (each unit consisting of a \$10,000 Preferred 6 percent Promissory Note and 75 shares of common stock, par value \$1.00) from Carthage Hydrocol, Inc. ("Hydro-

col") for a cash consideration of \$415,090.

This Commission by orders dated March 14, 1946, March 8, 1949, and September 20, 1949 (Holding Company Act Release Nos. 6478, 8022 and 9344), authorized the purchase by United of certain notes and shares of common stock of Hydrocol. Hydrocol, at a cost of approximately \$40,000,000, has completed the construction of a plant near Brownsville, Texas, for the purpose of manufacturing gasoline from natural gas by a synthetic process known as the "Hydrocol Process". It was originally estimated that the cost of the proposed plant would be \$14,000,000. The cost of construction, together with funds for working capital and other corporate purposes was obtained by means of a loan from the Reconstruction Finance Corporation ("R. F. C.") in the amount of \$18,000,000 and through the issuance and sale by Hydrocol to certain selected subscribers, including United, of units, each consisting of one \$10,000 6 percent Promissory Note and 75 shares of common stock, \$1.00 par value. There are presently outstanding 1950 units comprising \$18,237,500 principal amount of 6 percent Promissory Notes due October 1, 1960, \$1,262,500 of Preferred 6 percent Promissory Notes due October 1, 1960, and 146,250 shares of common stock. In addition, there are outstanding 31,875 shares of common stock issued without notes. All of the notes are subordinate to the indebtedness owing to R. F. C., and the \$1,262,500 of notes are preferred as to interest and principal over the \$18,237,500 of notes.

Of these securities United owns \$227,250 of Preferred notes, \$1,950,000 of the other notes and 16,329 shares (9.17 percent) of the common stock.

Hydrocol is now offering subscriptions to 300 additional units, consisting in the aggregate of \$3,000,000 principal amount of 6 percent notes and 22,500 shares of common stock, to present holders of its notes and common stock on the basis of their respective holdings at August 31, 1950. On this basis, United is entitled to subscribe for 33.5 units. However, an additional subscription of 7.7 units is necessary because of the failure of certain stockholders to exercise their subscription rights. The notes proposed to be issued will be preferred as to principal and interest over the outstanding \$18,237,500 of 6 percent notes but will rank pari passu with the \$1,262,500 of Preferred 6 percent notes. To accomplish this United and the other holders of the \$18,237,500 of notes propose to submit such notes for overprinting to evidence the proposed subordination.

The application states that Hydrocol will use the proceeds of the proposed sale as follows: (1) \$626,875 to restore working capital to \$1,500,000 at September 1, 1950, so that the remaining \$500,000 of the R. F. C. loan commitment can be taken down; (2) \$595,000 to provide funds for additional capital expenditures; and (3) \$1,500,000 to provide for monthly overhead expenses from September 1, 1950, to December 31, 1950, estimated at \$375,000 per month.

The present holdings of units of Hydrocol and the proposed subscriptions on a unit basis are as follows:

Name of subscriber	Units presently owned	Proposed subscriptions	Total
Chicago Corp.	97.5		97.5
Forest Oil Corp.	290	37.5	327.5
La Gloria Corp.	135		135
Niagara Share Corp.	243.75	37.5	281.25
Stone & Webster, Inc.	189.6	29.2	218.8
The Texas Co.	815.8	154.6	970.4
United Gas Corp.	217.725	41.2	258.925
Western Natural Gas Co.	50.625		50.625
	1,950	300	2,250

United estimates that, absent any unforeseen conditions, no additional moneys will be required based upon the forecast that production will progressively increase in the coming months to a point where Hydrocol will become self-sustaining.

United and its two wholly owned subsidiaries, United Gas Pipe Line Company and Union Producing Company, are principally engaged in the production, purchasing, transportation, distribution and sale of natural gas, and Union Producing Company is the owner of extensive gas reserves. The application states that the Hydrocol Process can possibly result in important benefits to the United System by increasing the value of its gas reserves and widening the market for its products and that participation in the development of the process will permit United access to the patent rights at a reduced cost in the event United determines upon future similar operations in its system.

Said application having been filed on October 30, 1950 and an amendment thereto having been filed on November 16, 1950, and notice of said application having been given in the form and manner prescribed by Rule U-23 promulgated under the act, and the Commission not having received a request for hearing with respect to said application within the time specified in said notice, or otherwise, and the Commission not having ordered a hearing thereon; and

The Commission finding with respect to said application, as amended, that the requirements of the applicable provisions of the act and the rules and regulations thereunder are satisfied and that no adverse findings are necessary, and deeming it appropriate in the public interest and in the interest of investors and consumers that said application, as amended be granted, effective forthwith:

It is ordered, effective forthwith, That pursuant to Rule U-23 and the applicable provisions of the Public Utility Holding Company Act of 1935, said application, as amended, be and the same hereby is, granted, subject to the terms and conditions prescribed by Rule U-24.

By the Commission.
